Registrant/Owner: Any person who is in good standing with OREBA Registered Kennel Clubs, Inc., and is not currently barred or suspended may apply to register eligible dogs with OREBA. Registrant or owner refers to the person whose name is listed on the OREBA registration certificate, and who is named as the registrant in the OREBA database. A registrant must be a human being and cannot be a kennel, company, club, pet store, or other such entity. The name of the registrant does not appear on the pedigree. By registering a dog with OREBA, the registrant is then subject to the jurisdiction of OREBA and must adhere to all OREBA rules, policies, and procedures.

Sole Signatory: The individual who is responsible for signing all OREBA Registration forms pertinent to the dog is the sole signatory. Only the signatory's signature will be accepted for all transfers, litter registrations, address changes, DNA profiling, and duplicate registration certificates. Any of the listed registrants may enter the dog in OREBA events.

Remember to fill in the Grand Total at the end of Step 5.

When requesting expedited service, you must address the envelope to the OREBA RUSH Dept or OREBA NDA Dept.
